

Travel cancellation policy.

Occasionally, something can happen before the start of a trip that interferes with your plans. In the event a booked stay at the hotel is delayed, ended prematurely or even completely cancelled, we hold the right to charge the following amounts:

More than 3 months prior to arrival: Free of charge.

Less than 3 months prior to arrival: 90% of the booked value.

In case of an early departure or a late arrival we will charge the full rate for the room(s).

We advise all of our guests to make sure they have adequate trip cancellation insurance to avoid such situations.
